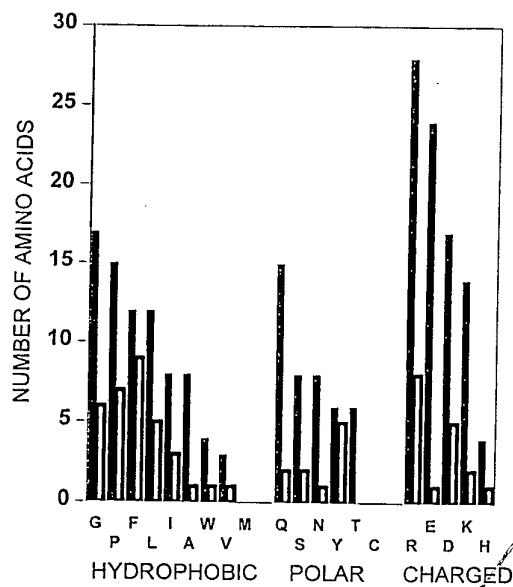

FIGURE 4

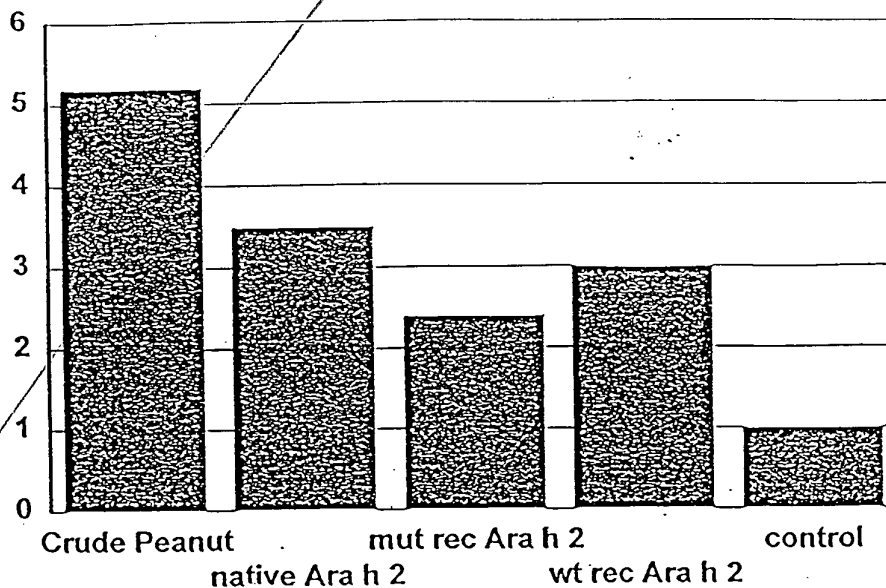

FIG. 6

Diagram illustrating the primary structure of the protein, showing the amino acid sequence and the positions of the four conserved regions (4, 5, 6, 7) indicated by vertical bars. The sequence is: TNQRSPPGERTRGROPGDYDDRRQPRREEGGRWGSPAGPREREREEDWRQPR. The conserved regions are: 4 (ERTRGROPGDY), 5 (DDRRQPR), 6 (REEGGRWG), and 7 (EREREEDWRQPR).
